

Hassan and Lulu: Book Two (A Hippo Graded Reader) (Volume 2)

Hassan has no choice. His heart is leading him on a mission through the ruins and chaos of Baghdad after the American invasion. He knows that he must find his missing father and save his young sister, Lulu, from the horror of growing up without her parents in a city ravaged by violence and terror. In the second part of the Hassan Lulu trilogy, we continue the heartbreaking but inspirational journey through Baghdad and the human soul that two young people are forced to make to save their father... and perhaps themselves.
