

A Love Supreme: The Story of John Coltranes Signature Album

Few albums in the canon of popular music have had the influence, resonance, and endurance of John Coltranes 1965 classic *A Love Supreme*-a record that proved jazz was a fitting medium for spiritual exploration and for the expression of the sublime. Bringing the same fresh and engaging approach that characterized his critically acclaimed *Kind of Blue: The Making of the Miles Davis Masterpiece*, Ashley Kahn tells the story of the genesis, creation, and aftermath of this classic recording. Featuring interviews with more than one hundred musicians, producers, friends, and family members; unpublished interviews with Coltrane and bassist Jimmy Garrison; and scores of never-before-seen photographs, *A Love Supreme* balances biography, cultural context, and musical analysis in a passionate and revealing portrait.
