

A Whisper of Spring time: Jasons Heart Transplant Miracle

A true story of one family's tenacity and courage to save their son's life. How would you react if your baby lapsed into a seizure and stopped breathing? On the verge of death due to an inherited heart disease, a miracle occurs for Jason! Transported by Life Flight from Salt Lake City, Utah USA to Southern California, he receives a two-year-old child's heart during a midnight surgery. This detailed narrative of an infant heart transplant at Loma Linda University Medical Center (LLUMC) will ignite a flame in the very core of your soul.
