

A Seekers Journey: How To Use Intuition, Emotions And Magic For Spiritual Growth

A Seekers Journey is my personal journey that has no end. This is my story of the continued practice of learning to love myself...Come with me as I share my experiences along this path and learn some of the ways that assisted me: meditation, grounding, attitude of awareness, courage, release and forgiveness, and of course intuition, emotions and magic. There are no wrongs. Every action you select will give you gifts. You may not like the gifts, but they are there to teach you where there is work to be done to come home to yourSelf and Love. Opening to your intuition, emotions/body and magic allows you a way to access your Inner Heart and the wisdom it offers. To allow is to trust not your mind, but a calling to Love.
