

Angel Guidance for Wealth: Abundant Living for Everyone (Volume 1)

Do you struggle in the area of wealth? Have you felt frustrated? In Angel Guidance for Wealth, the angels speak directly to you. They breathe on the pages their helpful advice, love, and wisdom. In this book, you will hear from multiple angels they are always at our side to help us. Open up your heart, to the love of your angels, and walk free. Excerpt: Angel Chamuel Blockages can create bumps in your path of abundance. The more blocks, the more bumps. People can uncover blocks by asking questions of themselves. What is stopping me from receiving help? It can come in many forms. Fear. Failure. Doubt. Not knowing how. Not feeling deserving. Little blockages can even stop the flow. The bigger the pipe, or belief system, the easier the flow. The big blocks need dealt with first, but even small ones will mess up the flow of life. Worry damages the flow. Its like denting a pipe the flow has to work harder to actually come through. Prayers are like this. So, when you pray, Angels, help me have money. It helps un-dent the pipe. But, remember it takes time to repair a damaged pipe. You must treat yourself with love and patience to flow again. Dont re-dent the issue once you ask. Keep your focus on the fact you have it. Sit in it. Grasp it. Put a picture on your wall. Look at it, and smile like its in the mail coming. When you purchase something on-line, you know its shipped and coming. Just because it takes time, you dont get upset, because you already know its yours. Thats how prayer works. You ask and its shipped! Its on the way! Wealth is already shipped. New jobs or whatever you need.
