

Anointed Prayers from the Heart : That Gets Results to Change Your Life

Annette Dotson Nabaa was born in Henry, Tennessee, a small town down in west Tennessee where she grew up to later move to Nashville, Tennessee to attend Tennessee State University. Annette later attended and graduated from Gupton Mortuary School. She attended Trevecca Nazarene University and received her Bachelors Degree in Management and Human Resource. She later received her Masters Degree in Leadership Organization from Crown College and is presently seeking a Doctorate Degree in Ministry. Annette is an Ordained Minister who has a love for Evangelism - to see those who are hurting be healed, delivered, and set free. The purpose of this Anointed Book of Prayers was inspired and written under the leading of the Holy Spirit, to set the captive free. My prayer is that whoever reads this book will receive a newness of life and begin to live and walk according to the plans that Christ has for you. My thanks to everyone who has inspired me to bring out the love for writing that has always been in me. I would like to thank my two children Nathan and Jasmine Nabaa for just being my children. This is just the beginning and there is more to come
