

Become a Builder of The New Age

This includes Cosmic Transmissions given by The Master Aetherius and The Master Jesus through the mediumship of Dr. George King. These Transmissions are about the prophesied New Age of peace and enlightenment. We are told by these wise and ancient Cosmic Masters that a glorious New Age will only happen if we were prepared to work hard enough to make it so. Also included in this book is a beautiful prayer for spiritual strength that will help us, and enable us to be of greater service to our world.
