

# Cheetos

Cheeto Jesus, Cheeto Elvis, Cheeto Michael Jackson, Cheeto Godzilla, Cheeto Santa see these and more in this crazy fun book, Cheetos By Joel Jerome Aka Cheeto Freak.... As a child I was obsessed with the tiny orange cheesy fried snack Cheetos, I would eat atleast a bag of cheetos everyday. Not only did I love to eat cheetos but I would spend hours staring at them. I would find interesting unique cheetos and save them. While other kids collected baseball cards, insects, and coins, I would collect Cheetos. I would see things in the cheetos the way that people see objects in the clouds when they stare at them long enough. I have found cheetos that resemble almost anything that one could imagine, and I do mean anything...I have been collecting cheetos off and on for over 25 years and have thousands of cheetos. A few years ago I started taking pictures of cheetos, and soon discovered that if I built a background around the cheetos it would turn these ordinary pictures of cheetos into unique works of art. Since then I have been on a mission to change the way that the world looks at Cheetos... This Book is a journey into my world of Cheetos, with pictures, interesting stories, and crazy cheeto facts. This Book will blow your mind, and change the way that you look at cheetos.
