

## Collaborations: Beginning 1 :

This series develops language skills while promoting the problem-solving and thinking skills needed for the workplace. Actual stories from the lives of learners provide authentic contexts for language learning.-- Authentic immigrant stories provide a springboard for ESL learners to develop linguistic skills, vocabulary, and lifeskills competencies.-- Six familiar contexts, self, school, family, work, local community, and global community, help students relate language to their everyday lives.-- Grammar, vocabulary development, language functions, and competencies are interwoven throughout the units.-- Materials promote problem solving and thinking skills needed for the workplace.-- Workbooks recycle and reinforce language and grammar.-- Teachers Resource Kits for each level contain Teachers Edition, Activity Masters, Maps, Transparencies, and Assessment Package.
