

## The Colour Healing Home

This title explains the principles of colour therapy and demonstrates how it can be applied to decorating, to enable the reader to enjoy its positive effects on both mental and physical wellbeing every day. Each chapter focuses on a particular mood and presents colour schemes to match. Whether a calming or balancing environment is wanted, or a romantic setting is needed, there is a range of inventive ideas to choose from for every room, from complete decorating schemes to easy accessorising solutions.
