

Sonship With God-Sharing The Fathers Perfection. Part 3: Walking With The Father

One of the greatest spiritual problems you face is not how you believe in God, or which church you do or dont go to. The greatest spiritual problem you face is that you are not walking in all that God has for you. The reason that you are not walking in all that God has for you is because you are a spiritual orphan. The Holy Bible says it. Jesus said it. The Apostles John, Peter and Paul said it. Spiritual orphanhood makes you feel like you are outside Gods gates; beyond his touch; denied his love; forgotten and somehow left out; rejected and unknown. You can feel like Jesus died on the cross for you, but it hasnt really made any difference in your life. Youre still struggling to make contact with God. But God answers this need in you. It is the sonship and daughtership with Him that the Father brings to you that completely breaks this barrier of personal spiritual loneliness and barrenness. Sonship With God: Sharing The Fathers Perfection makes one of the greatest ever contributions to the existing Christian revelation about how God can break through the barrier of spiritual orphanhood in you too. Its easy reading and probably one of the most powerful books on intimacy with God that you will ever read. Purchase your own copy of Sonship With God today and let God effortlessly raise you up to new heights of sonship or daughtership and his spiritual perfection. In this current volume you will read a vision for the Enochian experience what happens when God takes you to heaven without you tasting physical death. Finally in this volume you will begin to grasp the Fathers way of viewing your sonship or daughtership with God, what grow happens and what it means to God when you grow personally and spiritually. This leads into the kinds of programs God has for your assistance, how you help and hinder Gods works in your life and, ultimately, how you help or hinder yourself. This takes you high into the Himalayan Mountains among the Tibetan and Ladakhee and Kashmiri peoples of India. Then you enter into the biggest door-opener with God what helps you the most and what rewards you the most. Having had a taste of what God has in store for the best of the best of us on earth and visited the heavenly resurrection place where you will one day stand in person, it is a good thing to examine how to make this life the most purposeful and blessed you can.
