

The new Brown, Driver, Briggs, Gesenius Hebrew and English lexicon: With an appendix containing the Biblical Aramaic

A trio of eminent Hebrew Bible scholars-Francis Brown, R. Driver, and Charles Briggs-spent over twenty years researching, writing, and preparing The Brown-Driver-Briggs Hebrew and English Lexicon. Since it first appeared, BDB has been considered the finest and most comprehensive Hebrew lexicon available to the English-speaking student. Based upon the classic work of Wilhelm Gesenius, the father of modern Hebrew lexicography, BDB gives not only dictionary definitions for each word, but relates each word to its Hebrew Bible usage and categorizes its nuances of meaning. BDBs exhaustive coverage of Hebrew Bible, Hebrew words, as well as its unparalleled usage of cognate languages and the wealth of background sources consulted and quoted, render BDB and invaluable resource for all students of the Bible.
