

Be With You: Thoughtless Reality

Pocket sized book of Spontaneous Quotations from the Self-Realized Master Shri Ramakant Maharaj. Direct disciple (from 1962) of Nisargadatta Maharaj. 218 pages. Powerful Golden Nuggets designed to awaken the reader to his True Nature that is Ultimate Reality. Direct Way Teachings. Shortest cut to Self-Realization. Your very own digital guru. The Master speaks of, and to, your Reality, your Invisible Presence that is prior to, and beyond the body form. For, in Truth You Are Unborn! This is unique and rare knowledge beyond all logical, intellectual, philosophical and spiritual knowledge. This book has the power to dissolve the illusory reader and Self-reveal his Original Stateless State, beyond words, beyond worlds. Such high teachings have not been heard since Nisargadatta's day. Simple and profound utterances from the bottomless bottom of Reality. Like its predecessor Selfless Self: Talks with Shri Ramakant Maharaj, (400+pages) this potent and penetrating gem also deserves a place beside your spiritual classics.
