

Never Run Out of Cash

The single biggest reason the small business failure rates are so incredibly high today is this once simple fact: Most business owners don't really know what is going on with their most valuable asset - their cash. This easy-to-read, step-by-step guide reveals the secret that will transform the way the reader manages his business forever. You will be surprised how fast and easy it is to take control of cash flow . . . and a business.
