

Mistaken: The Arbiter: The Knox Mission (Volume 2)

Russian mobsters are dying in a federal prison, and at first, it looks like it may be a case of racism and hate. But Agents John Knox and Malik Sharif realize they are dealing with one elusive killer, and things are turning out to be much more than they seem. Between Malik's encounter with his dad for the first time in years, and John Knox's discoveries involving the possibility of capturing the same man who killed his former partner, the agents have more than they bargained for. Why is the killer targeting Russian mobsters? Will Malik find the spiritual awakening which it seems Knox and Malik's dad have experienced? Is there something more sinister, and far deeper behind the death in the prison? Follow the two agents and meet several new characters in this second installment in the Knox Mission series as they discover murder, racism, hate, conspiracy, and even hope through it all. But just when everyone seems to think they have it all figured out, you'll see they are all...Mistaken.
