

# Glossographia, or, A dictionary, interpreting the hard words of whatsoever language now used in our refined English tongue with etymologies, definitions, and historical observations (1674)

EARLY DOCUMENTS OF LANGUAGE & LINGUISTICS. Imagine holding history in your hands. Now you can. Digitally preserved and previously accessible only through libraries as Early English Books Online, this rare material is now available in single print editions. Thousands of books written between 1475 and 1700 can be delivered to your doorstep in individual volumes of high quality historical reproductions. The evolution of English and foreign languages is documented in these original texts studying and recording early philology from the study of a variety of languages including Greek, Latin and Chinese, as well as multilingual volumes, to current slang and obscure words. Translations from Latin, Hebrew and Aramaic, grammar treatises and even dictionaries and guides to translation make this collection rich in cultures from around the world.

This book represents an authentic reproduction of the text as printed by the original publisher. While we have

**Glossographia, or, A dictionary, interpreting the hard words of whatsoever language now used in our refined English tongue with etymologies, definitions, and historical observations (1674)**

attempted to accurately maintain the integrity of the original work, there are sometimes problems with the original work or the micro-film from which the books were digitized. This can result in errors in reproduction. Possible imperfections include missing and blurred pages, poor pictures, markings and other reproduction issues beyond our control. Because this work is culturally important, we have made it available as part of our commitment to protecting, preserving and promoting the worlds literature.
