

Hilmer & Sattler und Albrecht: Architecture and Urban Planning 2004-2010

This book presents 25 recent projects from the renowned German architecture firm Hilmer & Sattler und Albrecht. The firm of Hilmer & Sattler und Albrecht has been making headlines after winning the competition to design the Potsdamer Platz in Berlin. This book highlights their prolific output from 2004 to 2010 and features housing projects, hotels, office buildings, retail shops and private residences in Germany, Switzerland, and other countries. Full-colour photographs, sketches, and detailed plans reveal the firm's talent for incorporating classic European principles into cutting-edge buildings.
