

## How To Reduce And Release Anger - Fast And Easy Techniques (Health and Wellness Book 1)

Another informative ebook from the acclaimed Health and Wellness Series by Dustin Nicholas. Anger can be rooted in stress, illness, trauma, rejection, abandonment, victimization, or simply could be part of depression or anxiety. Anger is often considered a loss of control, so some people call it a control issue. Many people feel that anger can be passed down family lines, or can be rooted in childhood issues. Women tend to internalize their anger. Men tend to physically show their anger and do so with raised voices, tense muscles and posture, profanity, and disgust. No matter who you are, no matter what social status you have, no matter how much money you make, you are as susceptible to anger as anyone else. If you would like to learn about the causes and treatment for ANGER then this book is for you!
