You can now discover from the pros how to develop your own marketing plan complete with strategies and techniques that will really work through our amazing book. Most businesses will not succeed. Approximately 91% of businesses fail within 10 years, over 50% within five years, and almost 25% within the first year.

You can increase your odds for survival and success through an effective marketing plan. Reading *How to Create a Successful Marketing Plan* is Step One of Developing a Great Marketing Strategy that Helps Your Business Succeed. Here are just some of the great benefits you'll get in our eBook:

Learn about all the major fundamentals and components needed in a successful marketing plan. Find out how to conduct your own market research, saving a substantial fee that you might otherwise have to pay to market research firms. Discover how to establish reasonable goals and objectives that will distinguish your marketing plan as sound and realistic rather than a document of wishful thinking that nobody will take seriously. Determine how to foresee potential threats or problems and highlight how you will deal with them in your marketing plan. Learn how to include plans for new marketing opportunities that may unexpectedly arise such as happened with social media where many businesses were left unprepared. Find out how to evaluate your competition for inclusion in your marketing plan. Discover how to deal with the financial and budgeting aspects so the numbers add up. Uncover the best ways to track the effectiveness of your marketing plan so you can update and make changes as needed. And much, much more! Save thousands of dollars by learning how to

prepare your own marketing plan that is unique to your business objectives and goals rather than an expensive template plan offered by many firms that misses the mark. There is no longer a need to pay a small fortune for a marketing plan or neglect preparing one because you cannot afford it. You now can do it yourself for FREE! We are giving you the opportunity to create your marketing plan like a pro so that it is taken seriously by others when it is needed for loans, investments or other areas to benefit your business. And this marketing plan will also act as a guide and an instrumental tool in effectively increasing market share and developing a thriving, successful business.
