

Artists Scoring Goals (The Turtle dove Collection)

Artists Scoring Goals (Artistas Marcando Goles) Esta historia presenta dos de las asignaturas favoritas de los niños, a saber, Educación Física y Artística. Los jóvenes lectores tienen la oportunidad de aprender acerca del vocabulario relacionado con el fútbol y la experimentación artística. Los niños podrán investigar sobre uno de los artistas americanos más importantes, Andy Warhol y su obra Batman. Dos de los objetivos fundamentales de esta historia son potenciar la creatividad a través de la estimulación artística con algunos animales y, al mismo tiempo, sentir la emoción de un partido de fútbol. Este relato es una buena alternativa para acercar a los niños, desde los seis años, al aprendizaje de la lengua inglesa en aquellas aficiones que a ellos tanto les gustan. Artists Scoring Goals This story introduces two of the main subjects students usually like, that is, PE and Art. Young readers have the chance of learning about football vocabulary in English language and they can investigate about one of the most important American artists, Andy Warhol and his picture Batman. Children will be very creative with the name of some animals and they will feel the emotion of a football match.
