

JFK - The Final Solution: Red Scares, White Power and Blue Death: Dawn Phase Fascism

This book utilizes several distinct Rosetta Stones into the Assassination of John F Kennedy: the historical novel (1959) and the black and white version of the movie, The Manchurian Candidate by Richard Condon (1962) where a list of The Dirty Dozen JFK conspirators were surreptitiously and cautiously revealed including Senators Thurmond and Eastland, MacArthurites, McCarthyites and others using anagrams and other word plays. And The Winnipeg Airport Incident (1964) where another handful of JFK conspirators are identified. All of these Rosetta Stones reach the same conclusions regarding the identities of those on the suspects list behind JFKs death. The most common linkages among these identified suspects are: The Eugenics based Pioneer Fund of Wickliffe Draper, The John Birch Society of Edwin A. Walker and Robert Morris, The Mississippi Sovereignty Commission of Senator James Eastland, funded by Draper and the Senate Internal Security Subcommittee and its chief counsel Robert J. Morris, the real power behind McCarthyism, The White Russian sponsored Order of St. John, from The Russian Orthodox Church Outside of Russia involving Anastase Vonsiatsky and George deMohrenschildt, The Christian Defense League and The Nazi Silver Shirts of Rev. Gerald L. K. Smith, the American Security Council of Robert Morris, James Angleton, Ray Cline and Charles Willoughby, the Ultra-Catholic Crusaders from The Shickshinny Knights of Malta, the Fascist dominated World Anti-Communist League, the Dulles brothers and the Prestons from United Fruit and the MK/ULTRA mind control operations of James Angleton, OSJ and Carlist Catholic William F. Buckley, Jr., OSJ from the CIA which should be called: The Catholic Intelligence Agency of America. This tightly knit cabal of pro-Fascists, White Supremacists,

anti-Semites, anti-Communists,
McCarthyites, MacArthurites,
Segregationists, Eugenicists and former
Hitler followers found like-minded
co-conspirators at every single level of the
Military Reich, the Industrial Reich, the
Political Reich and the Religious Reich.
Their goal was quite simple: To cause the
VietNam conflict to expand into a major
confrontation leading into a death struggle
between the Soviet Union and the United
States which would lead to the Rise of The
Fourth Reich with America as its base to
launch future Christian Military Crusades
against any other future threats from all
non-Catholic infidels and heathens, or
Muslims who would ever oppose the Pope
in Rome, or the guardians of the Catholic
Church: The Knights of Malta or American
foreign investment interests. . Recent
FOIA releases about PATCON - The
Patriot Conspiracy project run by the FBI
20 years ago show that even Tim McVeigh
and the OKC bombing had well defined
links into the Patriot Militia Movement
through the militant Order of St. John -
Knights of Malta also called The Order.
Three distinct self-implicating confessions
by members of The Patriot Movement
made to trusted confidantes regarding their
participation in the plot to murder JFK
solidifies the thesis and finally identifies
the core groups involved beyond the
shadow of a doubt. This book is a must
read for anyone concerned about the
inroads being made and the influences
being exerted by the use of deadly force on
the part of these violent and dangerous
false patriots. Read more about this book

You will be among the first persons to
know the actual identities of persons like:
Indiana Jones, The Manchurian Candidate,
Big Daddy Warbucks and Little Orphan
Annie. This book reads like The DaVinci
Code in many places. And you will learn
the identities of Richard Condons Dirty
Dozen who plotted to kill JFK in both 1959
and 1963. And you will be among the first
to know why Paul Weyrich once said:
When the roles of Eugenics and The

Pioneer Fund in world events are fully understood, World History during the 20th Century will have to be re-written completely.
