

Leading by Belonging: A Pathway to Knowing Yourself

In this profound yet practical guided journal Tracy E. Houston, M.A. provides readers with a new perspective on leadership: being comfortable in the naturalness of who we are as a key leadership trait. This radical new approach will increase your ability to influence others by developing the pervasive, penetrating power of being real. The unquestionable power that comes from knowing yourself endures all change and trumps traditional hierarchies. Leading by Belonging provides a platform to: Gain purposeful direction with exercises that translate and manifest personal essence Enhance business relationships by creating internal wisdom Build integrity by correlating core values with your personal and professional life Engage in thoughtful discoveries that allow you to find meaning and joy within your profession Create awareness and vitality by clarifying ethical and value positions Develop an anchor in times of change by cultivating a sense of belonging Leading by Belonging provides a platform where we can shift energy gears from being a force driven into a force of expression, forged in passion, melded into our experience of life a personal frontier that translates our challenges and sufferings into an answer of pure potential.
