

Letters from 500 - A Story of the Future Now

If you have ever wondered about tomorrow, about what is happening now to this planet Earth, or about how the future may differ from today, this book is for you. In its pages you will find a description of the times you are living in from the vantage of 500 years beyond. The story of these Letters from 500 is startling, yet abundantly affirming and hopeful. It tells how humanity finds freedom, and how transformations already underway are leading into a new world and a new species.
