

Management Made EASY (Well, easier anyway)

Have you been promoted to manager because you're good at the job, (but haven't been trained in managing people)? Do you know how to help your boss to help themselves and you? Are you aware that you have to know how to manage the system? Are you sure you know where you're trying to get to, and why? Have you got the strategies to motivate your team, (or to be more precise, the individuals within it, especially the problem ones)? Do you know how to make the best use of your most valuable commodity TIME? Do you know how to look after yourself amidst the stress of being a manager?
