

## Comdex Fashion Design, Vol II, Ensembles For Your Body Type

This second volume is for everybody who wants to dress up smartly, attract the onlookers attention and make an impact. As a designer you not only have to adorn yourself in best possible attires but it is also your responsibility to design fashionable and attractive ensembles for your clients. Therefore, this volume has been designed with the purpose to help you know your and your clients body type with its positives and negatives. It will help you to select and adorn in western and indian ensembles best suited for the body type, while keeping in mind the use of detailing, attention seeking colors, patterns, and embellishment on the body parts that should be highlighted and avoiding the use of highlighting features on the problem areas of the body. part i: ladies wear part ii - mens wear part iii: children in adult wear
