

Exceptional Bloom: Coming Alive After Fifty

Exceptional Bloom is a specialty book for women in need of encouragement and motivation in the season of mid-life (and beyond). Bloom is filled with wonderful insight to empower, refresh and guide women that may struggle with a sense of loss as roles shift and change. Author Paula Masters leads the reader down an extraordinary path to unwrap the sacred treasure of life after fifty. The heart that desires a deeper connection to God's divine purpose in this season will come alive to the inspiration that fills the pages. Through personal experience, Paula provides a vibrant understanding that every woman is more than an identity attached to a chapter in a story that has passed; but rather, she is the main character in this fresh season of life. There is a new door that opens one of great discovery to the soul. Exceptional Bloom is a must read for any woman who desires an adventure with God as he pens his plans in her heart during this most exceptional time of life. Your soul will bloom as you discover life after fifty!
