

Snapshot: Elementary - Teachers Book

* Contains unit-by-unit lesson notes interleaved with the relevant Students Book pages * Notes include suggestions on how to handle the material, answer keys to the practice exercises, tapescripts of the listening materials and ideas for extra activities such as games * Follow-up sections give suggestions for extra language practice which may be set for homework * At appropriate places in the lesson notes, an alternative procedure is suggested for presenting language to more able students * Photocopiable tests are provided at the end of every five units * An alphabetical list of vocabulary and expressions, with phonetic transcriptions, is also included * Answer keys to the photocopiable tests, the separate Test Book and to the Language Booster exercises are included
