

Personality Sculpture: ...the ultimate art form to create the person you want to be...

This book is an experiential guide on how to change one's thinking in order to live completely different experiences in a life. It is an idiot's guide on conscious creation of the self and gives insight into how to be who one chooses to be as well as the impact of the choices we make. It also describes what changes one is likely to experience given the conscious choices one makes. Ultimately, the process enables one to see the magnificence of the Natural Law, the immense justice and the infinite kindness, this law offers, which we can experience if we so wish.
