

Pharmacology (Success in Medicine)

This pharmacology review package (text and disk) is aimed at medical students preparing for exams. The text includes tables, lists and charts, along with 100-150 questions and answers. The accompanying disk provides another 500 questions and answers, with all options fully explained, including incorrect ones. There is also an introductory section with tips on how to arrange study time, and how to take timed multiple-choice exams.
