

Wisdom at Work (Volume 1)

Wisdom at Work is a collection of short inspirational stories of using wisdom in the work place to address many day to day management issues. Topics such as team building, working with the dreaded consultant, and trust are included in this unique look from a management perspective. The day to day mid-level to upper level manager in the trenches is where the battle is won or lost daily in achieving the goals of the company. This is a unique book written by an A H Fleming with over 25 years of executive management.
