

Reading a Quest Novel in an ESL Classroom

This photocopiable e-book contains everything you will need to read a best-selling quest novel in your ESL classroom. The materials in this e-book were designed for and used in an advanced ESL reading course in a university Intensive English Program. Questions about the selected novel are presented over nine units. Each unit contains a special vocabulary list, reading comprehension questions, discussion questions. This e-book contains a lesson plan and three non-comprehensive quizzes covering the novel as well. Materials in this book will help the learners:

- Improve overall reading comprehension
- Increase reading speed
- Gain experience reading within a designated time frame in a low-stakes setting
- Practice determining the meaning of unknown vocabulary in context
- Develop ability to think subjectively in a second language
- Express opinions on subjective content
- Recognize and consider different opinions
- Exercise critical thinking skills
- Refine inference skills
- Identify and discuss themes
- Discuss various aspects of human behavior, including human expression of good and evil
