Only then I discover what the elderly man in spirit asks of me, he wanted me to pray for him, I did. Read what happens next. Come with me as a woman in a wedding dress calls for me from the top of the stairs in my living room. Something was keeping her from crossing over. You will not believe what it was. Watch with me as a female spirit dressed in white shows herself in my bedroom mirror. She desperately tries to get my attention by raising her arms over her head and swirling around like a clumsy ballerina. Join us on the journey I never expected to take. Walk with me through the debris of the crashed Malaysia Jet liner. See what I saw, feel what I felt. Listen as several of the brave deceased souls of this horrific disaster speak to me.
