

Storm Over Coronado (Pics Series (Partners in Crime Solving))

On a stormy summer night, the peace of San Diego's upscale Coronado Island is shattered. At an elegant gala, Southern belle Cami Carrington's mega-millionaire husband Braxton plans to announce his intent to run for mayor. However, the party—along with Braxton's life—is cut short by a bit of poison in a flute of pink champagne. This is only the beginning of a tangled web of lies, deceit, and violence. While grieving for her unfaithful husband and comforting Debra and Durant, her 19-year-old twins, Cami joins forces with Kate Elfmon, visiting from Boston. In the midst of deep personal drama and grave danger, the two employ all the charm, intellect, courage and faith they possess in their search for Braxton's murderer. Donna is married to Dr. David Jeremiah, founder of Turning Point Ministries, pastor of Shadow Mountain Community Church, El Cajon, CA, and best-selling author. A graduate of Cedarville University, Cedarville, OH, she is currently Executive Vice President of Turning Point Ministries. Peggy's alma mater is Campbell University in Buies Creek, NC. She is a Bible teacher, international ladies and youth events speaker, and award-winning member of the San Diego Christian Writers Guild. Between the two, Donna and Peggy are the proud mothers of nine children and twenty-two grandchildren.
