

## The Big Book of Interiors

This paperback edition of The Big Book of Interiors features more than 600 different design ideas covering every room in the house and then some. For easy reference, the chapters are divided by location in the home: Living Rooms Bedrooms Kitchens Bathrooms Home Offices Kid Rooms Entrances and Corridors Each section opens with text describing the decorating challenges unique to that part of the house, followed by full-color design ideas showcasing hundreds of different solutions to outfit every size room with a range of current interior style methods. The styles featured focus on the most popular used by today's best interior designers, including New Rococo, Minimalism, New Rustic, Retro and Contemporary. Photographs are accompanied by captions explaining the different approaches from each designer and architect. Whether it's one room or an entire house, The Big Book of Interiors is the ultimate reference for every homeowner ready to redecorate.
