Title: The Rhetorical Class Book: or, the principles and practice of Elocution defined and illustrated. ... Being an exposition of the organs and the operations of speech. ... With selections from popular writers, principally of the present day, etc. Publisher: British Library, Historical Print Editions The British Library is the national library of the United Kingdom. It is one of the worlds largest research libraries holding over 150 million items in all known languages and formats: books, journals, newspapers, sound recordings, patents, maps, stamps, prints and much more. Its collections include around 14 million books, along with substantial additional collections of manuscripts and historical items dating back as far as 300 BC. The HISTORY OF SOCIAL SCIENCES collection includes books from the British Library digitised by Microsoft. This collection provides histories and analyses of society, culture, education, crime, and family life. Providing a unique perspective of everyday life in the 18th and 19th centuries, readers of these works can study earlier developments that formed our modern society.++++The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification:++++ British Library Innes, Henry; 1834. 12?. 992.e.9.
