

Tweet!: A Unison or 2-Part Musical for the Birds (Teachers Handbook)

Four little birds consider what life is like out there beyond their nest as several feathered friends plus a troupe of Squirrel Scouts stop by to offer conflicting words (and songs) of advice. Finally, a wise old Owl explains that life is what you make it to be and a high-flying Eagle offers a pep talk that inspires the birds to spread their wings and soar! Super cute with a great growing-up message. Approximately 40 minutes. Recommended for grades 2-7. Products available: Teachers Handbook (includes Reproducibles), Enhanced SoundTrax CD (Accompaniment/Performance tracks plus reproducible PDF files of Student Pages & Cover Art), or price-saving Book & CD Kit.
