

Manage Your Time More Wisely Subliminal CD - Organize Your Day! Prioritize!

Your time is valuable. Learn to manage it more wisely simply by listening! This subliminal CD is designed to help melt away the stress that goes with planning and organizing your time. You will be able to focus & have a sense of calm and inner peace in order to accomplish these duties. It's important for your success that you are relaxed, efficient and productive. If you want a calm, confident approach to your time management, this CD is for you! Listen while resting, sleeping, working or playing. Meanwhile, your subconscious mind soaks in the powerful subliminal suggestions that will begin transforming you into a more organized & efficient YOU! This Subliminal CD was produced with the most advanced digital recording & processing equipment. It contains hundreds of positive affirmations recorded onto one relaxing CD. The affirmations are masked by beautiful music & soothing ocean waves to enhance your relaxation. You hear no audible words or voices, only music and nature sounds. Although the words aren't audible, they are there & they are powerful! Meanwhile, as you focus on something else, or just while relaxing, the subliminal affirmations take hold in your subconscious mind. The affirmations are designed to bring about safe, healthy & permanent changes in your life. With so many subliminal products on the market, be cautious to purchase only REAL subliminal recordings with NLP (NeuroLinguistic Programming) affirmations. Proper production, recording, scripting, & duplication are vital in creating such a powerful product. Use only the BEST! Trust Mind Design technology & expertise.
