

Start with Humility

Start with Humility discusses the true meaning of humility, and why it is a key to successful leadership. The book describes the characteristics of humble leaders, and tells the stories of five individuals who have succeeded as humble leaders. Each chapter includes leadership lessons, a leadership self-assessment, and leadership actions that you can write down and implement. I found this book to be filled with practical examples that can help anyone who has or wants to develop a management approach that brings out the best in people. -Steve Tritch, Chairman, Westinghouse Electric Company, and Chairman, University of Pittsburgh Board of Trustees. Start with Humility provides excellent insight into what it takes to be a successful leader. The coaching tips, real-world examples and self-assessment exercises, provide practical assistance in making the journey from management to leadership. -D. Jamie MacDonald, Senior Vice President, Quintiles Transnational Corporation.
