

Which Witch is Which

This book has been a way for me to break the silence, and even more than that, it has been a steady source of inspiration and amazement for the past few years. It taught me that it is possible to take something that hurt me so deeply and turn it around. I hope it teaches you the same. It is possible to heal... My book is about recovery- what it takes, what it feels like like, and how it can transform your life.
