

English Word Dictionary

An English word dictionary that consists of 800 smart, clever and fun words. Many of the words in this dictionary are also used for college entrance examinations. In addition to the words, a definition of the word is provided along with its normal use as a noun, a verb, or an adjective, the phonetic pronunciation, and a sample sentence so that the reader can put the word into perspective. The words in the dictionary are the kind of words that are common, but not typically found in everyones vocabulary
